

2024 Missouri Cybersecurity Conference

Together we secure MO!

Join the Missouri Cybersecurity Team and learn how we're protecting citizen data through cloud security, digital modernization, and partnerships with the Office of Homeland Security.

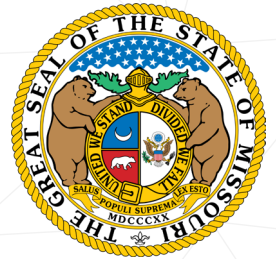

Throughout the day, hear real life use cases from security vendors and how each team helps provide security protections to both team members and Missouri citizens.

Thursday, Oct. 10 | 9 a.m. - 4:30 p.m.

Harry S Truman State Office Building, RM 490/492
301 W. High Street, Jefferson City MO

Please note that this conference is exclusive to state and local government employees.
